

Join Together to Prevent the disease

In view of the novel coronavirus pneumonia, Okura Garden Hotel Shanghai will implement the prevention strictly and continue to provide top quality and safe service to our guests.

***** Prevention Measure *****

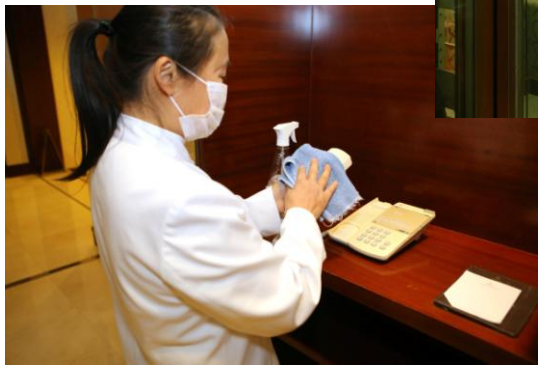

- Temperature screening for all the guests
- Provide hand wash free disinfectant for guests in the Front Office.
- All the employees wear masks

- Strengthen the cleaning and disinfection in the guest rooms especially the doorknob, telephone etc.

-- Increase frequency of cleaning and disinfection for doorknob, handles, elevators and other public spaces.

-- Provide hand wash free disinfectant for guests in the dining outlets.

- Temperature screening for employees and provide hand wash free disinfectant
- Training for all the staff for the methods to prevent the novel pneumonia
- Statistics for employees returning home during Chinese New Year holiday
- Self-health monitoring for employees returning to Shanghai

.....

Hotel will continue to keep close eyes on the development of novel coronavirus pneumonia. Let's join together to overcome the disease.
